

BTM Financial Agreement

2021-2022

One Form Per Family

We agree to adhere to all Bridge Tutorial Ministries financial commitments written in the Financial Agreement below for _____ (Family name).

We understand that the Registration Fee for each student is nonrefundable and is due, via cash, check or PayPal, prior to being able to register for classes. Facility and Student Center Fees will be due August 20, 2021, once meeting decisions have been determined.

We hereby agree to pay all tutors, who we register our student(s) to receive instruction from, directly for their services and any associated fees at the set amount established by the tutor and in accordance with the agreed payment schedule. If my payment(s) is late, (after the 10th of the month), I agree to add a \$10 late fee/class/student payment to the owed amount. I agree to pay the \$10 late fee if my first payment or any subsequent payments are late.

We also agree to pay the various fees incurred should we change or drop a class, or withdraw from the tutorial. The fee to change or drop a class is \$25/ class/student; the fee to withdraw from the tutorial is \$50/student, both due to BTM via paypal, using BTMLeadershipteam@gmail.com.

Furthermore, it is recognized that if our student withdraws from the course(s) at any time or for any reason, between the dates of June 10 through December 10, we the parents, agree to **fully** compensate the tutor for their services and any associated fees for the first 5 payment months. And accordingly, if he/she is withdrawn on any date after December 10, we the parents, will **fully** compensate the tutor for their services and any associated fees for the last payment months of December through April. This includes a student's withdrawal from class that has been requested by the administration or the tutor.

Note: If a student is going to withdraw from the second semester of classes, the parent must tell BTM Administration and the student's tutor in writing by December 10th. Any decision after this date will mean the family will pay for the full second semester of classes.
